FONDAZZJONI CARITAS MALTA

Fondazzjoni Caritas Malta is a Catholic Church umbrella organisation offering a wide spectrum of social services to vulnerable and marginalized people with a mission to alleviate poverty, promote human development, social justice and address social inequalities. This social mission is achieved through the following services at 5, Lion Street, Floriana.

Counselling and Social Work

- Often, throughout life we go through difficult experiences, sometimes the reasons may be psychological and/or relational and at other times it may be social or financial. During these times a listening ear and helping hand may be just what we need to get back on our feet and continue our journey. For this reason Caritas offers various services which fall under the **Counselling and Social Work Unit**.
- The service of **psychotherapy and counselling** is offered to adults, couples and young adults. The team is made up of qualified psychotherapists and counsellors.

- **Social work** assistance is provided to those families or individuals who may be struggling with social or financial issues.
- **Second Hand Items Project (SHIP)** is another Caritas project which aims to provide individuals and families with second hand items, such as furniture and white goods.
- **Workshops** tackling various psychological themes are offered to the public on a yearly basis. The dates and topics of such workshops are advertised through media platforms and on the Caritas facebook page.

The unit also offers different forms of **support groups** which are facilitated by dedicated volunteers.

- **Young Separated Support Group:** open to individuals who are facing the struggles of a marital separation.
- **Rose Group:** which opens its doors to individuals over the age of 55, who are also struggling with issues of separation and the loss of a loved one.
- **Thursday club:** offering support to persons struggling with mental health difficulties.
- **Huntington's Support** – one-to-one support is offered to individuals who are diagnosed with the condition of Huntington's.
- **Emotions Anonymous:** a support group offered to individuals who wish to explore their emotions and how to process them more effectively.
- **Alcoholics Anonymous and Al Anon:** open to individuals who struggle with an alcohol addiction. Support is also available for the family involved.
- **Gambling Anonymous & Gam Anon:** open to individuals and families who struggle with a gambling addiction.

PREVENTION EDUCATION PROGRAMME

- **Employee Assistance Programme (EAP)** - Through the Employee Assistance Program (EAP), Caritas Malta helps employees and their families resolve job-affecting problems, irrespective of their position in the company.
- **Usury Foundation** - Another form of support which is offered at Caritas, is guidance for those who are affected by the difficult reality of Usury.
- **Caritas Malta Epilepsy Association Support Group**
- **Caritas Youths** - Caritas Youths' aim is to help Caritas Malta achieve its mission statement to the full. This group came into function in 2015 and it will continue to operate with a new team in 2018. As a team we would like to motivate young people and give them a vision to look up to. Caritas Europe is also focusing its energy on young people during the year 2018 by conducting the Caritas Cares study on young people and their importance in society.

FONDAZZJONI DAR IL-HENA, set up between the Government of Malta (the then Ministry for the Family and Social Solidarity), the Alfred Mizzi Foundation and the then Caritas Malta offers:

Id-Dar tal-Providenza twaqqfet fl-1965 minn Mons. Michael Azzopardi bil-għan li toffri residenza b'ambjent “ta’ familja” lil għal persuni b'diżabilità li għal xi raġuni jew oħra ma jistgħux jibqgħu jgħixu mal-familja tagħhom. Min dak iż-żmien Id-Dar tal-Providenza appoġġat ir-residenti tagħha biex jiippartecipaw u jgawdu l-kwalità tal-ħajja fi ħdan il-komunità.

Illum Id-Dar tal-Providenza huwa magħmul minn ġumes residenzi: Villa Monsinjur Gonzi, Villa Papa Giovanni u Villa Papa Luciani. Tinkludi wkoll erbat idjar tal-komunità, imsejha Żerniq fis-Siggiewi, Akkwarell fil-Qawra, Dar Pirotta f'Birkirkara u f'Shalom fiż-Żurrieq.

Bħalissa, id-Dar tospita mijha u ġmistax-il persuna bejn l-etajiet ta’ erbatax u tmenin sena. Toffri wkoll servizzi ta’ “respite” fuq bażi regolari lill-familji ta’ persuni b'diżabilità, u b'hekk toffrilhom appoġġ biex il-membru tal-familja b'diżabilità jkun jista’ jkompli jgħix fi ħdan il-familja tagħhom.

Huma meħtieġa erba’ miljun ewro fis-sena għat-tmexxija tad-Djar. Hafna mill-flus jmorru għall-pagi ta’ madwar 200 ġaddiem li jsostnu r-residenti fil-bżonnijiet tagħhom ta’ kuljum. Madwar 200 voluntier ieħor impenjati hafna jagħtu wkoll l-appoġġ tagħhom b'mod regolari.

Id-Dar Tal-Providenza, li hija mibnija fuq il-fidi fil-Providenza ta’ Alla, tiddependi ġafna fuq il-ġenerożiタ tal-benefatturi tagħha u d-donazzjonijiet pubblici li tirċievi biex tiffinanzja l-livell għoli ta’ kura li tipprovdi.

Id-Dar tal-Providenza was founded by Mons. Michael Azzopardi in 1965 with the aim of offering a home with a warm and family-like environment for persons with disabilities who for some reason or another cannot stay living with their family. Since then Id-Dar tal-Providenza has supported its residents to participate in and enjoy the quality of life within the community.

Today Id-Dar tal-Providenza is made up of five residences: Villa Monsinjur Gonzi, Villa Papa Giovanni and Villa Papa Luciani. It also includes four community homes, called Żerniq in Siggiewi, Akkwarell in Qawra, Dar Pirotta in Birkirkara and Shalom in Zurrieq.

At the moment, Id-Dar host hundred and fifteen persons between the ages of fourteen and eighty years. It also offers respite services on a regular basis to families of persons with disabilities, thus offering them support to enable the disabled family member to continue to live within their family.

Four million euro per year are required for the running of the Homes. Most of the money goes for the wages of about 200 workers who support the residents in their daily needs. About 200 other highly committed volunteers also give their support on a regular basis.

Id-Dar Tal-Providenza, which is built on faith in Divine Providence, relies to a very large extent on the generosity of its benefactors and the public donations it receives to fund the high level of care it provides.

The Emigrants' Commission was established to help and protect people in need by offering them free services, counselling and protection. The Emigrants' Commission came into being in 1950 due to the huge exodus of Maltese to foreign lands because of over population and unemployment. The aim was to offer help to those who intended to settle abroad. When displaced persons started seeking refuge in Malta, its services covered all those affected by migration including immigrants and refugees.

Under the patronage of the Emigrants' Commission there are other organisations whose activities are orientated to help immigrants and tourists in more specific areas and it also houses Associations such as:

- *Maltese-Canadian Association*
- *U.K and other Countries*
- *Maltese-American Association*

- *Refugjati*
- *Catholic Enquiry Centre*
- *Centru Riċerka*
- *Association of returned Migrants*
- *Uffiċċju tal-ivvjaġġar*

The main services are aimed for emigrants who seek help in many forms from the office. For many years refugees have been helped in many ways. Protection, basic needs, accommodation, recreation and schooling are sympathetically dealt with. Help for refugees is also solicited by the Commission through its very useful contacts both domestic and foreign. The Emigrantss Commission has about 10 homes at its disposal, a centre in Balzan, and homes in Valletta and Floriana, where approximately 150 of the most vulnerable refugees are accommodated, free of charge. Some of these homes are privately owned, while the others are church homes.
